Quotes from the evaluations....

“Lots of fun!”

“This has been very, very helpful”

“Thanks for all the ideas”

“Lots of good organizing suggestions”

“Excellent”

“I thought it was great, I got a lot of great ideas from this session”

On September 23rd 2006 we held our annual Early Childhood Fall Seminar: How Art Happens, despite the terrible rainy weather, we had over 100 in attendance. I would like to thank all of the attendees for filling out the evaluations for the sessions. This feedback is vital in preparation for future seminars! A special thank you to Christian School for the Young Years, ABC 123 Learning Center, and United Way Success By 6, our local sponsors for the seminar.

Thank you to those that filled out training surveys, we have compiled all of the information and will put your feedback to use in planning future trainings! The winner from the drawing is Pam Beal of Beal's Daycare in Zalma! Congratulations Pam!

After a break over the summer, the Directors/Owners Formation Group in Cape Girardeau and Malden have started meeting again. These groups are designed for directors and owners to have the chance to network and discuss current issues going on within their centers in which they may need solutions for. The group is open to anyone that would like to attend. Please check the training calendar for future meeting dates.

Keynote Speaker – Kathryn Zellich

We are currently working on starting a college credit CDA class to start in Cape Girardeau. The program will consist of 3 consecutive college classes that will integrate the resource file, training hours, and advising needed to apply for your CDA credential. The individuals must apply or have secured funding through the T.E.A.C.H. scholarship program in order to take the classes. For more information on this opportunity please call Heather Fisher at 573-290-5644. For more information on the T.E.A.C.H. scholarship program contact Beth Ann Lang or Penny Marshall at 1-800-200-9017, ext. 604 or 609.
